

Loser

Iggy Pop & The Stooges

Allright
The feet in my boots
Are shaking their roots
For a reason
I'm looking at you
And you're too much to chew
For a reason
And the problems you got
Are the problems you got
For a reason
And what you are not
Is what you are not
For a reason
There's a decadent home
Where there should be control
I can't live anymore There's a festering truth
Where there should be the truth
I can't live anymore You wanna blame me
But you got misery
For a reason
And the way that you lose
Is the way that you chose
For a reason
And if this is a slam
I don't give a damn
For a reason
Cuz the point of this song
Is I'm moving along
For a reason
There's a bottomless pit
And you've got me in it
I can't live anymore
You're a tower of a cruel
And I feel a fool
I can't take it anymore You're a loser
You're a loser
You're a loser
You're a loser
You're a loser

For a reason You're a loser The feet in my boots
Are shaking their roots

For a reason

For a reason

For a reason

For a reason
