Love & Death

Ebo Taylor

Brothers and sisters
Lend me your ears
Listen to my story
Of love and death
I felt deep in love
With ___
A girl of my dreams
You see what I mean
On our wedding day
She gave me a kiss
With tears in her eyes
It was the kiss of death
Love and death
Walk hand in hand
The way __ __
Is just the same
Love and death
They walk hand in hand
The way __ __
Is just the same
