

Revenga

System Of A Down

Poisoning a drink
Bleeding in a sink
Choking with a link
Killing with a stink
Just your mother's

Ho

Bleeding in a sink
Poisoning a drink

Burning up

My sweet Clementine

Trampling a shrink

Bleeding in a sink

Hallelujah wink

Getting on the brink

Just your mother's

Ho

Hallelujah wink

Murdering a shrink

Burning up

On my sweet revenge

Will be yours for the taking

It's in the making baby

My sweet revenge

Will be yours for the taking

It's in the making baby

Killing with a stink

Bleeding in a sink

Poisoning a drink

Getting on the brink

Just your mother's

Ho

Bleeding in a sink

Trampling a shrink

Burning up

My sweet Clementine

Poisoning a drink

Bleeding in a sink

Choking with a link

Killing with a stink
Just your mother's
Ho
Poisoning a drink
Bleeding in a sink
Burning up
My sweet revenge
Will be yours for the taking
It's in the making baby
My sweet revenge
Will be yours for the taking
It's in the making baby
I saw her laugh
Then she said
"Go away"
I saw her laugh
Then she said, then she said
"Go away, away"
My sweet revenge
Will be yours for the taking
It's in the making baby
My sweet revenge
Will be yours it's in the making
It's in the taking, making, baking, taking, faking
Ho
My sweet Clementine
Ho
Shoulda been, coulda been
Woulda been, woulda been you
Shoulda been, coulda been
Woulda been, woulda been you
