

Morose Seclusion

Into Eternity

No reason no words to win no reason
Tragic lives are all the same
When you play inside the game
All alone inside your fearsThe thoughts of a season
Mith a mindless hope or view
My eyes deceive the painNo reason no words to win no reason
No reason no words to win no reasonTragic lives are all the same
When you play inside the game
All alone inside your fearsThe thoughts of a season
Mith a mindless hope or view
My eyes deceive the painThe thoughts of a season
Mith a mindless hope or view
My eyes deceive the pain
