

# Trilogy of the damned

## Evergrey

In a garden of sorrow  
Among the mourning of souls  
A silent whisper you must walk alone  
Even though my tears tells me not to  
I must walk alone  
I seek shelter  
Cause I am hiding As light is our darkness  
We seek the day  
But when the shade of the night comes  
It chases my strength away My steps echoes  
In this chapel of fall  
And I see my past being  
Being left behind  
I hope I beg  
Can't someone come and take my soul  
And take my soul... My sanity has left me  
My trust died with you  
What is left are only pieces  
My tears fall for you I'm gonna fly  
I'm gonna roll  
I'm gonna thunder So I place the roses  
So gently on your grave  
And I still remember  
I can feel the flames  
And I know I have failed  
and my promises nothing worth  
I see it all so clear  
But my words mean nothing I'm gonna fly  
I'm gonna roll  
I'm gonna thunder My sanity has left me  
The trust I once had has died  
What is left are only pieces  
All my words been proven lies  
Been proven lies  
If I could I would  
Fly roll thunder  
All for just another chance to speak with you  
Show you  
But my words...

But my words mean...  
NothingAll the battles that I've fought and lost  
When I'm asleep they come  
All the screams that I've screamed unheard  
A week wounded soulDare I open my eyes and see  
How much more can they possibly harm me  
The frustration  
The hurt  
The fear  
Of a week wounded soulThey're watching me  
They're touching me  
Moving so quick they're all around me  
Ain't got the right  
But say they do  
The Shocking TruthA week wounded soul  
A deeply wounded soul
