

The Good Rebel

Noel Gallagher's High Flying Birds

Rain, like rain
Rain, like rain
Rain, like rain
I don't care for the sunshine
I don't care for the sunshine
I don't care for the sunshine
If heaven helps you help yourself I hope you never change
Rebel let them help themselves and wash the truth away
And every man will follow them so what else can you say?
Won't you let my baby
Wont you let me baby
Let my baby's love come down like rain (rain)
Rain, like rain
Rain, like rain
Rain, like rain

I don't care for the sunshine
I don't care for the sunshine
I don't care for the sunshine
Well every man will pass scorn on every passer by
There will be a star that's born to fill the empty sky
You dress me down when you call me up so don't call me alive
If you won't let my baby
If you won't let my baby
Let my baby's love come down like rain (rain)
Rain, like rain
Rain, like rain
Rain, like rain
I don't care for the sunshine
I don't care for the sunshine
I don't care for the sunshine
I don't care for you sunshine
