

Tits on the Radio

Scissor Sisters

Creamsicle sky while the sun sets up in the west
Where are the queers on the piers, heard they gave it their best
Now they got jobs at a local fast food chain
Flippin' tricks for the burger, since Lady M jacked their fame
Flippin' tricks for the burger, since Lady M jacked their fameCause you can't see tits on the radio
I'll give you five fingers for a one man show
Fasten those pants for the lap dance
Take a shot now this may be your last chanceThere ain't no tits on the radio (Oh no)
There ain't no tits on the radio (Oh no)
There ain't no tits on the radio (Oh no)
There ain't no tits on the radio (No no)Dark room Danny can't see with the lights turned out
Black haired tranny counts sheep with her bed turned down
But the bed's in Jersey and the sheep's on a farm
Dark room Danny hears police alarm
Dark room Danny can't see with the lights turned out
Dark room Danny can't see with the lights turned outCause you can't see tits on the radio
I'll give you five fingers for a one man show
Fasten those pants for the lap dance
Take a shot now this may be your last chanceThere ain't no tits on the radio (Oh no)
There ain't no tits on the radio (Oh no)
There ain't no tits on the radio (Oh no)
There ain't no tits on the radio (No no)
