Love Song (for Everyone)

Courtney Jaye

It overtakes me, it levitates me
And lifts me up so high, it makes me wonder
It pulls me under and gives me butterflies
Now I'm surrounded, now I'm awake
And I can be sure
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love with everyone
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love with everyone
Sorrow shook me, love overlooked me
For the longest time but the fog is lifted
And the clouds have drifted, my heart is open wide
I don't know your story, I don't know your name
But I know I'm sure
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love with everyone
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, everyone
I wish that I could tell you I would
Slow down and commit but the world is so big
And full of life you can't hold in and I have so much to give
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love with everyone
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love with everyone
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
Every strong and steady man
Open heart and open hands
One I think about each time
It makes me close my eyes and smile

Like a best friend or a savior
One who is on his best behavior
Firecracker, troublemaker
You know who you are
Every rider on the waves
Every rockstar I have saved
Every boy who loves his girl
Every person in the world
I'm in love
