Fifth In Line To The Throne

Camera Obscura

I gave you a regal name
'Cause you treat me like a queen
But like a queen I don't know when I'll be slainNow, I'm fifth in line to the throne
How am I gonna tell my king
That I don't trust his throne, anymoreIf you want me to leave, then I'll go
If you want me to stay, let it show
Do you want me to leave, let me know
Just let me knowI have seen your deepest flaws
I'm ashamed to say they made me want you more
But I was in aweIf you want me to leave, then I'll go
Do you want me to stay, let it show
If you want me to leave, let me know
Just let me knowIf you want me to leave, then I'll go
If you want me to stay, let it show
If you want me to leave, let me know
Just let me know
Let me know
Let me go
