Sorry (K Theory Remix)

Meg Myers

My heart is wasted and cut up like a drug
And your tears, they taste like vinegar and blood
And these conversations choke us 'til we're numb
No matter what we're saying, it never seems enoughSo take me to the start
Take me to that kiss
'Cause I gotta know, baby, what I'll forget
Sorry that I lost our love, without a reason why
Sorry that I lost our love, it really hurts sometimes
And I'm sorry, sorry
What do you want, what do you want me to say?
Sorry that I lost our love
Until the end of timeMy voice is twisted, guilty goes the tongue
Your eyes are faded, that used to turn me on
And our skin is dangerous, villains when we touch
No matter what we're feeling, it never feels enoughSo take me to the start
Take me to that kiss
'Cause I gotta know, baby, what I'll forget
Sorry that I lost our love, you've got a reason why
Sorry that I lost our love, it really hurts sometimes
And I'm sorry, sorry
What do you want, what do you want me to say
Sorry that I lost our love
Until the end of time
