

Whisper To A Scream [Birds Fly]

Social Code

Love come, Down upon us
Till you flow like water,
Burning with the hope of insight
Feathered, look they're covered with a bright elation
Stolen in the sight of love(Chorus)
We are, we are, we are all just children
Finding our way around in decision
We are, we are, we are rather helpless
Take us forever
A whisper to a screamBirds fly
In the eye of the faithless daughter
broken at the bitter end
Wasted, sacrifice for a new nirvana
Right time send us on our way
(Chorus 3x)

We are, we are, we are all just children
Finding our way around in decision
We are, we are, we are rather helpless
Take us forever

A whisper to a scream
A whisper to a scream

A whisper to a scream(We are, we are, we are all just children
Take us forever

A whisper to a scream)We are, we are, we are all just children
Finding our way around in decision
We are, we are, we are rather helpless
Take us forever

A whisper to a scream

We are, we are, we are all just children
Finding our way around in decision
We are, we are, we are rather helpless
Take us forever

A whisper to a scream
