Pleasure Seeker

Elektrochemie

Here I come
I'm on a run
Who wants to fight temptation
That's no funC'mon and play the games
Don't you feel no shame
That's what Eve said to Adam
Before she cameYou can smile, now cry later on
You know that it might be wrong
But it feels so good
Like you know it wouldThere's damnation and disgrace
And guilt rears its ugly face
Yet you beg for more
Just a little moreStand in line
Don't you lose your mind
Try like me to seek your pleasures
Three at a timeThere's souls for sale
You're gonna burn in Hell
And if tomorrow never comes
It's just as wellYou can smile, now cry later on
You know that it might be wrong
But it feels so good
Like you know it wouldThere's damnation and disgrace
And guilt rears its ugly face
Yet you beg for more
Just a little moreFeel the pain
I feel it too
Have your hedonistic ways
Got the best of youPlay the games
Don't feel no shame
That's what Eve said to Adam
Before she cameYou can smile, now cry later on
You know that it's definitely wrong
But it feels so good
Like you know it wouldThere's damnation and disgrace
And guilt rears its ugly face
Yet you beg for more
Just a little more
Come on beg for more
Just a little more
