

# Sympathetic

## Seether

And my words will be here when I'm gone  
As I'm fading away against the wind  
And the words you left me, linger on  
As I'm failing again now, never to change this And I'm sympathetic, never letting on  
I feel the way I do  
As I'm falling apart again at the seam And it seems I'm alone here, hollow again  
As I'm flailing again against the wind  
And the scars I am left with, swallow again  
As I'm failing again now, never to change this And I'm sympathetic, never letting on  
I feel the way I do  
As I'm falling apart again at the seam And I'm sympathetic, never letting on  
I feel the way I do  
As I'm falling apart again at the seam The same old feelings are taking over  
And I can't seem to make 'em go away  
And I can't take all the pressure sober  
But I can't seem to make it go away The same old feelings are taking over  
And I can't seem to make 'em go away  
'Cos I can't take all the pressure sober  
(I can't make it go away)  
I can't make it go away And I'm sympathetic, never letting on  
I feel the way I do  
As I'm falling apart again at the seam And I'm sympathetic, never letting on  
I feel the way I do  
As I'm falling apart again at the seam And I'm falling, falling  
Falling, falling, falling, falling  
Falling apart again at the seam
