Jenny

Studio Killers

Jenny darlin', you're my best friend
But there's a few things that you don't know
Why I borrow your lipstick so often
I'm using your shirt as a pillow case.
I wanna ruin our friendship
We should be lovers instead
I don't know how to say this
'cause you're really my dearest friend
Jenny darlin', you're my best friend
I've been doing bad things that you don't know about
Stealing your stuff now and then
Nothing you'd miss, but it means the world to me.

I wanna ruin our friendship
We should be lovers instead
I don't know how to say this
'cause you're really my dearest friend
I wanna ruin our friendship
I don't know how to say this
'cause you're really my dearest friend
Jenny take my hand, we are more than friends
I will follow you until the end
Jenny take my hand, I cannot pretend
Why I never like your new boyfriends
(Ohhhh your love for them wont, last, long)
Forget those amigos...
