

# The War

## Angels & Airwaves

The ocean is on fire  
The sky turned dark again  
As the boats came in  
And the beaches  
Stretched out with soldiers  
With their arms and guns  
It has just begun  
Believe, do you want this?  
Believe, do I want this too?  
Why won't you tell me that  
It's almost over?  
Why must this  
Tear my head, inside out?  
And the houses  
Laid out like targets  
With the deafening sound  
We watched them all go down  
And the families  
Now useless bodies  
They lay still black and blue  
A gift from us to you  
Believe, do you want this?  
Believe, do I want this too?  
Why won't you tell me that  
It's almost over?  
Why must this  
Tear my head, inside out?  
Believe  
Believe, do you want this too?  
Why won't you tell me that  
It's almost over?  
Why must this  
Tear my head, inside out?  
Why won't you tell me that  
It's almost over?  
Why must this  
Tear my head, inside out?
