## **Leaves That Are Green**

## **Paul Simon**

I was twenty-one years when I wrote this song I'm twenty-two now but I won't be for long Time hurries on And the leaves that are green turn to brown And they wither with the wind And they crumble in your handOnce my heart was filled with the love of a girl I held her close, but she faded in the night Like a poem I meant to writeAnd the leaves that are green turn to brown And they wither with the wind And they crumble in your handI threw a pebble in a brook And watched the ripples run away And they never made a soundAnd the leaves that are green turned to brown And they wither with the wind And they crumble in your handHello, hello, hello, hello Goodbye, goodbye, goodbye That's all there is And the leaves that are green turned to brown
