Last Night

Little Walter

Last night I lost the best friend I ever had
Last night I lost the best friend I ever had
Well, she gone off and left me, oh,
Make me feel so badWell, it's early in the morning
When my love come falling down for you
Well, it's early in the morning, baby,
When my love come falling down for you
I want you to tell me, baby, tell me
What are we gonna doWell, I'll wait till tomorrow,
They tell me every day brings some bottle of change
Well, I'll wait till tomorrow,
They tell me every day brings some bottle of change
Well, I love you, love you baby,
Honey, ain't it a crying shameLast night I lost the best friend I ever had
Last night I lost the best friend I ever had
Well, she gone off and left me,
Oh, make me feel so bad
