

What Is This

Jim Jones

What is this, that gangsta, gangsta? Let's get back to business
You gotta kill 'em dead so they don't ask the witness
No questions on the stand, is there especially to the blame
Yeah, I let 'em talk to the stainless If it's beef, let's keep it G, we don't talk wit disclaimers
We say names, we ain't playing, we leave ya corpse on the pavement
And I ain't hard to find, I'm in New York like the Rangers
My team, what? We all are nice We pack guns and go to clubs and we ball all night
Crack sales in the slums, break the law all night
So the glock stay stashed up
It's cops trying to harass us These pretty cars seem to grab they attention
They know these pretty cars cost more cash than they pinching
Plus the city's ours, plus I'm back with a vision
DipSet in this bitch, you know I'm a menace, niggas It's uhh, what is this? DipSet
What is this? Byrd game
What is this?
That certified G, let's get back to business Say what, say what, say what? You heard me
Say what, say what, say what? You heard me
Say what, say what, say what? You heard me
Man, get a set of wings so you can fly wit the birdies Harlem, across the 1 1 0
(Harlem, thou-hundred)
Where it all seems to rain and the sun don't show
(Sun don't shine)
As long as it's white caine, oh, you know we gon' blow
(Get money)
Shit, these dice games, we bet lump sums on roll
(Can't stop) Wear white tees but the guns don't show
(Got it on me)
And my advice, where I'm from, don't go
(Be careful)
And we all love this life but we must follow codes
(Follow that code)
It's a sequel society, all we ask, trust Police keep on eye in' me, now that's fucked up
(Fuck 'em)
Enemies know the deal, we will clap shit up
(What's good?)
We hit niggaz with heaters
Watch the morgue come and get 'em put them niggaz in freezers
(Them black zip lock bags) Shit, he bit off more than he could chew
