

Forever Young (Martin Richardson remix)

Alphaville

Let's dance in style, let's dance for a while,
Heaven can wait we're only watching the skies.
Hoping for the best, but expecting the worst,
Are you gonna drop the bomb or not? Let us die young or let us live forever
We don't have the power, but we never say never
Sitting in a sandpit, life is a short trip
The music's for the sad man. Can you imagine when this race is won?
Turn our golden the faces into the sun,
Praising our leaders, we're getting in tune
The music's played by the, the madman. Forever young,
I want to be forever young.
Do you really want to live forever?
Forever, and ever Forever young,
I want to be forever young
Do you really want to live forever?
Forever young. Some are like water, some are like the heat
Some are a melody and some are the beat
Sooner or later they all will be gone
Why don't they stay young? It's so hard to get old without a cause
I don't want to perish like a fading horse
Youth's like diamonds in the sun,
And diamonds are forever So many adventures given up today,
So many songs we forgot to play.
So many dreams swinging out of the blue
Oh let it come true. Forever young,
I want to be forever young.
Do you really want to live forever,
Forever, and ever? Forever young,
I want to be forever young.
Do you really want to live forever,
Forever, and ever? Forever young
I want to be forever young
Do you really want to live forever,
Forever young
