Escape (L.A. Forum - June 17, 1975)

Alice Cooper

Paint on my cruel or happy face
I hide me behind it
It takes me inside another place
Where no one can find itEscape, I get out when I can
I escape anytime I can
It's all escape, I'm crying in my beer
Come on, let's escape, just get me out of hereDon't get me wrong, don't get me right
I'm not like you are
When I get home from work at night
I'm blacker and bluerSo I escape, I get out when I can
I escape anytime I can
It's all escape, I'm crying in my beer
Escape, just get me out of hereBut where am I running to?
There's no place to go
Just put on my make-up
And get me to the show, yeah, escapeYeah, what are you waiting for?My doctor said, just come around
And you'll be taken care of
And while he ran my problems down
I stole his mascaraThat's how I escape, I get out when I can
I escape anyway I can
I escape, I'm crying in my beer
Let's escape, just get me out of hereEscape, let's get out while we can
It's escape, anyway we can
Come on, let's escape
Nobody wants us around here anywayEscape, what are we waiting for
Escape, escape, escape, come on now let's escape
Escape, escape, escape now
Escape, escape, escape, escape
