Taste It

Jake Bugg

Filled my head with the future, fill my eyes with the sky,
Hold my life get left behind, but I never felt more alive.I speak conversations, speeding it down the line,
Locked in your eyes I just had this goodbye, but I never felt more alive.I can taste it,
In my mouth, its just so bittersweet,
Its like theyre in your eyes,
A mouthful grin.
It should be easy, but its hard to leave.The time in the fire is ugly, you wont know if you wont try,
Love bring on my shirt and I walked away hurt, but I never felt more alive.Talking about my connection, think I might have fused a while,
You are never sight as our voices die, but I never felt more alive.I can taste it,
In my mouth, its just so bittersweet,
Its like theyre in your eyes,
A mouthful grin.
It should be easy, but its hard to leave.Yeah, this love treat us,
And its been a long, hard drive.
Painful in the morning, when your best friend is the night.Fly over the mountain and never looking down,
I never felt more alive.
Dread is gonna find us, a hope into your eyes,
cause I never felt more alive.I can taste it,
In my mouth, its just so bittersweet,
Its like theyre in your eyes,
A mouthful grin.
It should be easy, but its hard to leave.
