

Tug of War

Alexa Ferr

There's trouble in the walls here
I can't see but I can hear so clear
My instincts say it isn't safe here
But my heart won't let me leave We go up and then we go down
Till we spinnin' round (till we spinnin' round)
Going slow, way too fast
Wish I could put you in my past
Put you in my past Cause you keep taking all my love, our love
You keep taking all my love, our love
Everytime I pull you, you talk, you talk
Everytime I pull you, you talk, you talk me in Here we go, here we go again
Battle for love, battle for love, battle for love
Love...
Battle for love
Over and over again
Like a tug of war Where did we go wrong here?
I'm slowly drowning in all my tears (all my tears)
Agree to disagree here
Cause baby you won't let us win We go up and then we go down
Till we spinnin' round (yeah were spinnin' round)
Going slow, way too fast
Wish I could put you in my past
Put you in my past Cause you keep taking all my love, our love
You keep taking all my love, our love
Everytime I pull you, you talk, you talk
Everytime I pull you, you talk, you talk me in
Here we go, here we go again
Battle for love, battle for love, battle for love
Love... Over and over and over again
Over and over and over again
Over and over and over again
Over and over and over again Cause you keep taking all my love, our love
You keep taking all my love, our love
Everytime I pull you, you talk, you talk
Everytime I pull you, you talk, you talk me in We don't need to go, we only go up here
Battle for love, battle for love, battle for love
Love... Battle for love
Over and over again
Like a tug of war
