

I Will Rest In You

Mindy Gledhill

Lord I'm in the dark
Seems to me the line is dead when I come calling
No one there, the sky is falling
Lord I need to know
My mind is playing games again
You're right where you have always been

Take me back to you, the place that I once knew
As a little child costintlay the eyes of God watched over me
Oh I want to be in the place that I once knew
As a little child fall into the bed of faith prepared for me
I will rest in you, I will rest in you, I will rest in you

Tell me I'm a fool, tell me that you love me for the fool I am
And comfort me like only you can
Tell me there's a place
where I can feel your breath like sweet cruses on my face again

Take me back to you, the place that I once knew
As a little child costintlay the eyes of God watched over me
Oh I want to be in the place that I once knew
As a little child fall into the bed of faith prepared for me
I will rest in you, I will rest in you, I will rest in you
