Ticket to Ride

Scubba

I think I'm gonna be sad
I think it's today, yeah
The boy that's driving me mad
Is going away
He's got a ticket to ride
He's got a ticket to ride
He's got a ticket to ride
And he don't care
He said that living with me
Was bringing him down, yeah
He would never be free
When I was around
He's got a ticket to ride
He's got a ticket to ride
He's got a ticket to ride
And he don't care
Don't know why he's riding so high
He oughta do right, he oughta do right by me
Before he gets to saying goodbye
He oughta do right, he oughta do right by me
I think I'm gonna be sad
I think it's today, yeah
The boy that's driving me mad
Is going away
He's got a ticket to ride
He's got a ticket to ride
He's got a ticket to ride
And he don't care, don't care
Think I'm gonna be sad
Think I'm gonna be sad
Think I'm gonna be sad
Think I'm gonna be sad
Think I'm gonna be sad
Think I'm gonna be sad
