Bombshell Rocks

Can't explain the feeling
'Cuz it comes from deep inside
But I know you can't deny the powerThere's no way, no, there's no way
This feeling can be denied
Makes me wanna stay for another hourCan't explain the feeling
But it's bigger than anything else
It's my shelter, it's where I hide at stormy weatherPut on a record
At a thousand decibel
Puts the pieces back togetherHey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get meHey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get meHey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get meHey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get meHey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get meHey, I hope the feeling stays
It's like a lovers sweet embrace
I'm right here so come and get me
