## Bombshell Rocks

Can't explain the feeling  
'Cuz it comes from deep inside  
But I know you can't deny the powerThere's no way, no, there's no way  
This feeling can be denied  
Makes me wanna stay for another hourCan't explain the feeling  
But it's bigger than anything else  
It's my shelter, it's where I hide at stormy weatherPut on a record  
At a thousand decibel  
Puts the pieces back togetherHey, I hope the feeling stays  
It's like a lovers sweet embrace  
I'm right here so come and get meHey, I hope the feeling stays  
It's like a lovers sweet embrace  
I'm right here so come and get meHey, I hope the feeling stays  
It's like a lovers sweet embrace  
I'm right here so come and get meHey, I hope the feeling stays  
It's like a lovers sweet embrace  
I'm right here so come and get meHey, I hope the feeling stays  
It's like a lovers sweet embrace  
I'm right here so come and get meHey, I hope the feeling stays  
It's like a lovers sweet embrace  
I'm right here so come and get me
