Legs

PJ Harvey

Ohh you're divine
Ohh ahh ohh you're divineOhh, oh ohh did I tell you you're divine?
Ohh ahh ohh oh ohh did I ever, when you were alive?
Did it hurt when you bled?
Did it? Oh lover boy I'll feed the head
I'll bet you never thought I'd try
Your mouth my love was open wideSingin' ohh oh you were goin' to be my life
Damn it ohh ahh ohh oh ohh you were going to be my life
Did you sing in happy day?
Singin' it, sing it that time I went away
Got to ease my achin' head
Do you know, no other way cut off your legs, ohhOhh ohhDid you ever wish me dead?
Oh lover boy I'll feed the head
No you must, no you must not go away
How will you ever walk again?
And I, I might as well be dead
But I could kill you instead
