

Good Fortune (Album Version)

PJ Harvey

Threw my bad fortune
Off the top of
A tall building
I'd rather have done it with you Your boy's smile
Five in the morning
Looked into your eyes
And I was really in love In Chinatown
Hung over
You showed me
Just what I could do Talking about
Time travel
And the meaning
Just what it was worth And I feel like
Some bird of paradise
My bad fortune slipping away
And I feel the innocence of a child
Everybody's got something good to say Things I once thought
Unbelievable
In my life
Have all taken place When we walked through
Little Italy
I saw my reflection
Come right off your face I paint pictures
To remember
You're too beautiful
To put into words Like a gypsy
You dance in circles
All around me
And all over the world And I feel like
Some bird of paradise
My bad fortune slipping away
And I feel the innocence of a child
Everybody's got something good to say And I feel like
Some bird of paradise
My bad fortune slipping away
And I feel the innocence of a child
Everybody's got something good to say So I take my
Good fortune
And I fantasize

Of our leaving Like some modern day
Gypsy landslide
Like some modern day
Bonnie and Clyde On the run again (On the run again)
On the run again (On the run again)
On the run again (On the run again)
On the run again (On the run again)
