

# Here Comes the Night Time, Pt. II

## Arcade Fire

(Here comes the night time)  
(Here comes the night time)  
(Here comes the night time)  
Here comes the night time  
Here comes the night time  
Here comes the night time

I hurt myself again  
Alone with all my friends  
Feels like it never ends  
Here comes the night again

Here comes the night time  
Here comes the night time  
Here comes the night time

You hurt yourself again  
Alone with all your friends  
Feels like it never ends  
Here comes the night again

Here comes the night time, coming on slow (Here comes the night time)  
Here comes the night time, I know that you know (Here comes the night time)  
Here comes the night time  
Here comes the night time  
Here comes the night time  
Here comes the night time

Well, I hurt myself again  
Alone with all my friends  
Feels like it never ends  
Here comes the night again

Here comes the night time  
Here comes the night time  
Here comes the night time  
Here comes the night
