Get On the Flaw

People In Planes

I got a red car
And I'm going to unleash her
I want a red car
It's only human natureThere's somebody missing
I thought I counted in
Somebody better catch him
Cos now he is offendedWe're gung-ho for info
We're kids to the cola
And we'll take over
Get on the flaw
What you waiting for
This life holds more
So get on the flawHe's going ballistic
I think they'll pay a visit
We'll get compensated
But it'll never cover itWe're gung-ho for info
We're kids to the cola
And we'll take over
Get on the flaw
What you waiting for
This life holds more
So get on the flaw
