

# Sitting Still (2006 Remaster)

R.E.M.

This name I got we all were green  
See could stop stop it will red  
We could bind it in the cist  
We could gather, throw a fitUp to par, and Katie buys a kitchen-size, but not me in  
Sit and try for the big key, a waste of time, sitting stillI'm the sun and you can read  
I'm the sign and you're not deaf  
We could bind it in the scythe  
We could gather, throw a fitUp to par, and Katie buys a kitchen-size, but not me in  
Sit and try for the big key, a waste of time, sitting still  
I, I, I can hear you, I, I, I can hear you, I, I, I can hear youThis name I got we all were green  
See could stop stop it will red  
We could bind it in the cist  
We could gather, throw a fitUp to par, and Katie buys a kitchen-size, but not me in  
Sit and try for the big key, a waste of time, sitting still  
I, I, I can hear you, I, I, I can hear you, I, I, I can hear youYou can gather when I talk, talk until you're blue  
You could get away from me, get away from meI'm up to par, and Katie buys a kitchen-size, but not me in,  
Sit and try for the big key, a waste of time, sitting still  
I, I, I can hear you, I, I, I can hear you, I, I, I can hear you  
I, I, I can hear you, I, I, I can hear you, I, I, I can hear you  
Can you hear me?
