I'm in Love (Poolside Remix)

Fool's Gold

Ooh wooh whoa
Oooh
Ooh wooh whoa
Oooh
You never cried among us
You never lost your cool
Never was around here
You hold it in till the end
You never tried to find us, nope
You never showed up first
The only God around here
And I'll follow you to the edge
Ooh wooh whoa
Oooh
Ooh wooh whoa
Oooh
Everybody's someone, Right!
Even fall for them
Cause they're all on vacation
To you
But that was so [?]
You were all original
You built that fire just for the show
You're everything to meI wanted you to show me
T hat there was more out there
Past the wide open spaces
Somehow, somewhere
That was so long ago
You were all original
You Built that fire just for the show
You're everything to me
Oooh. that was long ago
You would offer the original
You built that fire just for the show
An accidental king
I'm down in love
I'm in love
