

Where Were You Tomorrow

Wishbone Ash

(Powell, Turner, Turner, Upton)

Well, I walked ten thousand miles 'till I came to you.

Well, I walked ten thousand miles 'till I came to you,

And you.

Well, I'm leaving you, baby

And I'm leaving too far back, now.

Well, I walked ten thousand miles 'till I came to you, who

Well, I walked ten thousand miles 'till I came to you.

Well, I'm leaving you, baby

And I'm leaving too far back, now.
