

# Breezeblocks

## ALTJ

She may contain the urge to run away  
But hold her down with soggy clothes and breezeblocks  
Citrezene your fever's gripped me again  
Never kisses all you ever send are fullstops, la la la la laDo you know where the wilds things go  
They go along to take your honey, la la la la  
Break down now weep build up breakfast now  
Let's eat my love my love love love, la la la la laMuscle to muscle and toe to toe  
The fear has gripped me but here I go  
My heart sinks as I jump up  
Your hand grips hand as my eyes shut  
Ahhh ahhh ahhh ah ah, ahhh ahhh ahhh ah ahDo you know where the wild things go  
They go along to take your honey, la la la la  
Break down let's sleep build up breakfast now  
Let's eat my love my love love love, la la la la laShe bruises coughs she splutters pistol shots  
But hold her down with soggy clothes and breezeblocks  
She's morphine queen of my vaccine my love my love love, la la la la laMuscle to muscle and toe to toe  
The fear has gripped me but here I go  
My heart sinks as I jump up  
Your hand grips hand as my eyes shut  
And ahhh ahhh ahhh ah ah, ahhh ahhh ahhh ah ah  
Ahhh ahhh ahhh ah ah, ahhh ahhh ahhh ah ahShe may contain the urge to runaway  
But hold her down with soggy clothes and breezeblocks
