

# Unzip Your Harrington

## Drowners

Trouble for a friend of mine  
It's not fair he made you go to school  
Let's tear up the list tonight  
Of all the things your scared to tell your father I'm gonna hang around  
Long enough to be part of the furniture  
Oh boy you look so suave  
When you unzip your harrington  
I guess what your like at home Spend the cheque that you picked up today  
Neon lit when I saw your face  
The post came I thought a letter great  
It's all about how you never go on holiday I'm gonna hang around  
Long enough to be part of the furniture  
Oh boy you look so suave  
When you unzip your harrington  
I guess what your like at home I'm gonna hang around  
Long enough to be part of the furniture  
Oh boy you look so suave  
When you unzip your harrington  
I guess what your like at home
