

# Boogie Woogie Country Girl

## Bob Dylan

She wears loafer shoes, a dungaree  
Red jacket shirt if you please  
My boogie woogie, boogie woogie, boogie woogie country girl  
Well I mean what I mean, my boogie woogie country girl

Now she digs that music with a beat  
Rock 'n' rollin' is her need  
My boogie woogie, boogie woogie, boogie woogie country girl  
Well I mean what I mean, my boogie woogie country girl

On Saturday night she comes to town  
She plays the jukebox, let her hair hung down  
My boogie woogie, boogie woogie, boogie woogie country girl  
Well I mean what I mean, my boogie woogie country girl  
Let 'em roll

She digs some cherries, she can milk a cow  
Don't like squares, though daddy taught her how  
My boogie woogie, boogie woogie, boogie woogie country girl  
Well I mean what I mean, my boogie woogie country girl

She's up every mornin' about half past five  
She likes to go fishin' 'cause it keeps you alive  
My boogie woogie, boogie woogie, boogie woogie country girl  
Well I mean what I mean, my boogie woogie country girl

Now when she's dancin' the kids hang around  
They dig my baby 'cause she really goes to town  
My boogie woogie, boogie woogie, boogie woogie country girl  
Oh, you dig what I mean, my boogie woogie country girl

Yeah, swing it man, I like a good rockin' band  
Yeah, we need to knock a-knockin'  
And I love to rock a-rockin'  
Yeah, my boogie, boogie woogie country girl

Early in the m'ning, yeah  
Yeah, come to me mama, hold me in your arms  
Boogie woogie, boogie woogie, boogie woogie country girl  
Play it man, oh

Yeah, rock it
