What I'd Give

Ira Losco

What I'd give to bring you flowers
What I'd give to get you alone
What I'd give to bring a smile across your face
What I'd give to take you home
What I'd give to make you coffee
Find out how you like your eggs
Wrapped around you in the mornin'
A tangled lace of arms and legs
What I'd give to let you love me
Find out everythin' that brings you joy
Wake up to your face above me
I'd be that girl and you could be that boy
Find out why that feelin' is
Oh, what I'd give, what I'd give
What I'd give to take you dancin'
What I'd give to make you mine
If you got questions, I got answers
And my answer's yes to you every time
What I'd give for just one minute
What I'd give to count all the ways
If your heart was dark with nothin' in it
I'd give you mine and take your place
What I'd give to let you love me
Find out everythin' that brings you joy
Wake up to your face above me
I'd be that girl and you could be that boy
Find out why that feelin' is
Oh, what I'd give, what I'd give, ooh, what I'd give
