A Boy Can Dream

Matthew Morrison

[Verse 1]I met her on the day of new years eve,
I was shoppin' for a powder blue tux on Ardmore Street,
I swear that I saw fire in her eyes,
The kind of girl you hear about but never see in real life,
Everyone needs something,
Everyone wants love,
[Chorus]She's lying in my bed,
In just her underwear,
She's laughing at the words I say,
We're kissing and we're touching,
Underneath the covers,
Listening to Marvin Gaye,
I hear her whispering I love you,
Right before I fall sleep
A boy can dream, dream dream
A boy can dream, dream dream

A boy can dream, dream dream
A boy can dream, dream dream
[Verse 2]I woke up on Sunday afternoon,
I had the tux back hoping I would see her too
Something 'bout the way she looked at me
She keeps playing in my head,
Like a broken record on repeat
Everyone needs something,
Everyone wants love
[Chorus]
If I only had her number,
I know later on tonight,
Tonight
Tonight
[Chorus]I met her on the day of new years eve,
I was shoppin' for a powdered blue tux on Ardmore Street?
