

Bleeding for a Little Peace of Mind

Blue Highway

The sun is slowly fading over the hill
Just like it has and like it always will
I see the pictures scattered on the floor
This place don't make sense to me no more

The summer nights are turning into fall
And I've turned the clock face to the wall
And it really doesn't matter much at all
Cause every day is the same

And I'm bleeding for a little peace of mind
I'd like to leave this loneliness behind
Somehow I'm afraid that I will find
There's no bottom anymore
I've gone about as far as I can go
And there's no turning back this much I know
Oh, I'm bleeding
Bleeding for a little peace of mind

I don't remember good times as a child
Just mamma's tears and a father's crooked smile
A lot of silent crying in the night
Nobody cares

Now all that seems a million miles away
And the sky is just another shade of grey
I'm fighting hard to find myself today
I'd be happy to be saved

Now I'm bleeding for a little peace of mind
I'd like to leave this loneliness behind
Somehow I'm afraid that I will find
There's no bottom anymore
I've gone about as far as I can go
And there's no turning back this much I know
Oh, I'm bleeding
Bleeding for a little peace of mind

Just a little peace of mind

Yes I'd like to leave this loneliness behind
Lord I'm begging of you please show me a sign
Cause I'm bleeding
Bleeding for a little peace of mind

How about just a little peace of mind
