What Will Remain?

Strife

What will remain of those days when it
All meant something to you, the kinds, and
Me- it was more than just something yes,
But it's changed.what will remain ofthose things that uses to be? some say
They're gone, but they'll never be gone in
Me. and I'll remain to see those days
Again...like before when to me, it feelt like
Something more. it didn't die it's just been
Ignored; what will remain of those days?
People changed, time is rearranged, lives
And goals do not remain the same, nothing
Stays the same...what will remain...
Will remain.
