No Face

The Suicide Machines

Advisory - the following lyrics contain explicit language:

I know, they know
Don't drink, drive slow
Insane, no brain
Dress down, look plain
Big fun, no gun
No girl, gotta run
Flip side, can't hide
Can't think suicideIs there anybody out there?
Does anybody know?
Is there anybody out there?
(Does anybody?)
Does anybody know?Been there, no where
Done that, get square
I'm hip, no lip
Dig this, my tip
Punk's dead, see red
Life sucks, dead head
No race, no face
Still there, same placeIs there anybody out there?
Does anybody know?
Is there anybody out there?
(Does anybody?)
Does anybody know?I don't know where I went wrong
And I don't know if I can
Wait that long
But everytime I hear that
Another kid died
Through a senseless act of violence
It makes we wanna cryIs there anybody out there?
Does anybody know?
Is there anybody out there?
(Does anybody?)

Does anybody know?
