At the starting of the week
At summit talks you'll hear them speak
It's only Monday
Negotiations breaking down
See those leaders start to frown
It's sword and gun dayTomorrow never comes until it's too late(Come come come come come with it)(x2)You could be sitting taking lunch
The news will hit you like a punch
It's only Tuesday(What time is it?)
You never thought we'd go to war
After all the things we saw
It's April Fools' day(What time is it?)Tomorrow never comes until it's too late
Tomorrow never comes until it's too late[Mos Def]
Tomorrow is another day
Today is another boom
Tomorrow is another day
Today is another,boom
Tomorrow is another day
Today is another boom
Tomorrow is another day
Today is another
(boom boom ba ba ba ba boom ba ba ba ba boom ba ba ba ba ba)(x4)(Slow it down,.)

You hear a whistling overhead
Are you alive or are you dead?
It's only Thursday(What time is it?)
You feel the shaking on the ground
A million candles burn around
Is it your birthday?(What time is it?)Tomorrow never comes until it's too late
