

# Girlfriend

## Alicia Keys

Your girlfriend  
Alicia Keys  
Come on Maybe silly for me to feel  
This way about you and her  
'Cause I know she's been such a good friend  
I know she has helped you through Talkin' late on the phone  
Every night you've been callin'  
Private moments alone  
Could your heart soon be fallin'?  
And I know she's a friend  
But I can't shake the feeling  
That I could be losing your heart I think I'm jealous of your girlfriend  
Although, she's just a girl that is your friend  
I think I'm jealous of your girlfriend  
She shares a special part of you You said that she's one who helped you see  
How deep you're in love with me  
And intentions were not to get in between  
But I see possibilities And you say that you feel  
I'm the best thing in your life  
And I know it's real  
And I see it in your eyes  
There's no reason for me  
To even feel this way  
I know you just enjoy her company I think I'm jealous of your girlfriend  
Although, she's just a girl that is your friend  
I think I'm jealous of your girlfriend  
She shares a special part of you I think I'm jealous of your girlfriend  
Although, you said she's just a girl that is your friend  
I think I'm jealous of your girlfriend  
She shares a special part of you Say you jealous but you can't tell me why  
Say you jealous but you can't tell me why  
Say you jealous but you can't tell me why That's enough to make a nigga go crazy I think I'm jealous of your  
girlfriend  
Although, she's just a girl that is your friend  
I think I'm jealous of your girlfriend  
She shares a special part of you
