Cut the Line

Royal Wade Kimes

I CUT THE LINE

Every time I see you, you're with a friend
There's always someone waiting in the shadows
I'm standing in a line that has no end
Will I talk to you the Lord only knows

Chr.

Hope you don't mind, I cut the line
Cause every cowboy in here wants your time
I'd like to dance away the night
And wake up in the morning holding you tight
Hope you don't mind I cut the line
Cause every cowboy in here wants your time

If I could spend my life looking at you
I'd never know a day I'd call lonely
Your love would chase away all my blue
I'd dedicate myself to loving you only

Chr.

Hope you don't mind I cut the line
Every cowboy in here wants your time
I'd like to dance away the the night
And wake up in the morning holding you tight
Hope you don't mind I cut the line
Cause every cowboy in here wants your time
