The Maxx Is Back

Klymaxx

Yo! I know it's been a very long time
But the Maxx is here to take the strain off your mind
I know you're wondering what's up with that
And that's why we had to come back
We took a rest to clear our business
So that you would know that we are serious
Here's a word to all our friends
That the true Klymaxx will never end
And get busy(Yeah, boys) Oh oh oh oh, the Maxx is back
The Maxx is back
Oh oh oh oh, the Maxx is backI betcha think we stayed away too long
And that ain't right, huh
That is why we come back so strong
I know you really wanna, really wanna know the deal
'Cause what you think you know
It's just might not be for realWe took every opportunity to make it right
Even if it meant we have to work it day and night
The competition now they can't put us to shame
'Cause don't you know, huh
It's all in the nameThe Maxx is back, huh
Oh oh oh oh, the Maxx is back
This is no imitation, it's a fact
Klymaxx is back
Oh oh oh oh, the Maxx is back
We're still the divas
And we're here to prove we're back on trackMake no mistake, the attitude's sill there
A new identity, same old savoir faire
If desperation makes you think of needing a new authority
You better think again
They come with no guarantees (no)And don't you know it's something that can't be replaced
That's the reality you've got to face
Now I'm not bragging, please don't get me wrong
We're here to back up what we're saying
In the words to this songThe Maxx is back
Oh oh oh oh, the Maxx is back
This is no imitation, it's a fact
Klymaxx is back
Oh oh oh oh, the Maxx is back
We're still the divas

And we're here to prove we're back on trackThe Maxx is back
Oh oh oh oh, the Maxx is back
This is no imitation, it's a fact
The Maxx is back
Oh oh oh oh, the Maxx is back
The one and only divas
And we're here to prove we're back on trackWe took every opportunity to make it right
Even if it meant we have to work it day and night
The competition now they can't put us to shame
'Cause don't you know it's all in the nameThe Maxx is back
Oh oh oh oh, the Maxx is back
And you know that! Word! You know
Divas need love too
The Maxx is back
Oh oh oh oh, the Maxx is back
Still the divas
And we're here to prove we're back on trackThe Maxx is back (The Maxx is back)
(Klymaxx is back)
(The Maxx is back)
(Klymaxx is back)
(The Maxx is back)
Oh oh oh oh (Klymaxx is back)
(The Maxx is back)
(Klymaxx is back)Oh oh oh oh, the Maxx is back
If you really wanna know the deal,
You know that we're for real
Klymaxx is back, yea-ea-eah-eah, yeahKlymaxx is back
Oh oh oh oh, the Maxx is back
This is no imitation, it's a fact
Klymaxx is back (the Maxx is back)
