

# Doubtful

Keke Palmer

[Intro]

Don't know if I still belong beside you  
And you know how much of me I gave you[Chorus]

Know that I'm doubtful (yeah, yeah)

Know that I'm doubtful (yeah, yeah)

Heart full of guilt (yeah, yeah, yeah)

Heart full of tears (yeah, yeah)

Know that I'm doubtful (yeah, yeah)

Know that I'm doubtful (yeah, yeah)

Heart full of tears (yeah, yeah)

Heart full of guilt (yeah, yeah)[Verse 1]

Damn, shawty hit me with the ozzie

I didn't see him coming

Hit me in the stomach

Told me that he loved me like a Scarface movie

I'm down

Hating myself every minute cause I can't resist you

Knowing it'll never be the same cause what we been through

Pick up the phone[Pre-Chorus]

Every time I think about us getting back (getting back)

All that I can think is you was hitting that (hitting that)

I don't wanna be here all alone (all alone)

Pick up the phone

Pick up the phone[Chorus]

Know that I'm doubtful (yeah, yeah)

Know that I'm doubtful (yeah, yeah)

Heart full of guilt (yeah, yeah, yeah)

Heart full of tears (yeah, yeah)

Know that I'm doubtful (yeah, yeah)

Know that I'm doubtful (yeah, yeah)

Heart full of tears (yeah, yeah)

Heart full of guilt (yeah, yeah, yeah)[Verse 2]

Who love you more than I do? (No one)

Why I'm the one you lied to? (Played my heart)

So many nights that we share

It's obvious were not true

Pick up the phone[Pre-Chorus]

Every time I think about us getting back (getting back)

All that I can think is you was hitting that (hitting that)

I don't wanna be here all alone (all alone)

Pick up the phone

Pick up the phone[Chorus]

Know that I'm doubtful (yeah, yeah)

Know that I'm doubtful (yeah, yeah)

Heart full of guilt (yeah, yeah, yeah)

Heart full of tears (yeah, yeah)

Know that I'm doubtful (yeah, yeah)

Know that I'm doubtful (yeah, yeah)

Heart full of tears (yeah, yeah)

Heart full of guilt (yeah, yeah, yeah)
