

# Yellow Submarine

Andreas ScheinhÃ¼tte

In the town where I was born  
Lived a man who sailed to sea  
    And he told us of his life  
    In the land of submarines  
    So we sailed up to the sun  
    Till we found a sea of green  
And we lived beneath the waves  
    In our yellow submarine

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
    We all live in a yellow submarine  
    Yellow submarine, yellow submarine

    And our friends are all aboard  
Many more of them live next door  
    And the band begins to play

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
    We all live in a yellow submarine  
    Yellow submarine, yellow submarine

(Full speed ahead Mr. Boatswain, full speed ahead  
    Full speed ahead it is, Sergeant.  
    Cut the cable, drop the cable  
        Aye, Sir, aye  
        Captain, captain)

    As we live a life of ease  
Every one of us has all we need  
    Sky of blue and sea of green  
    In our yellow submarine

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
    We all live in a yellow submarine  
    Yellow submarine, yellow submarine  
    We all live in a yellow submarine  
    Yellow submarine, yellow submarine
