

# Sudden Impact!

## Big Audio Dynamite

Listening to a metal music prank that leads straight to the bank  
Each grunt and groan took literally some tired old rock star's fantasy  
Suburbia is such a drag, bargain nightmares in a bag  
Newspapers sell disaster and sin, and when the dust storm comes they say the Devil rides in

Party down, eat your friend, be-movie stories never end  
Rock the house, shoot your mum, cheap thrills wrapped up in bubblegum  
Get down, burn the cat, the hardcore life is where it's at  
Love boat, sub attack, beware of sudden impact

Burnt out case from the neighborhood, converge one night deep in the wood  
The bat from hell arrived that night to make that picnic outtasite  
Satanic rights to a tune they knew well to make the party rock like hell  
Hold tight the ride begins, macho men with pimply skin

Party down, eat your friend, be-movie stories never end  
Rock the house, shoot your mum, cheap thrills wrapped up in bubblegum  
Get down, burn the cat, the hardcore life is where it's at  
Love boat, sub attack, beware of sudden impact

Come fly with me, talk to the trees, the dust storm doesn't always please  
That's the gamble inside your head, let's play something else instead  
Hide and seek for a shock, I can see right through that rock  
Bang, you're dead the shit is real, someones scored a bum deal

Party down, eat your friend, be-movie stories never end  
Rock the house, shoot your mum, cheap thrills wrapped up in bubblegum  
Get down, burn the cat, the hardcore life is where it's at  
Love boat, sub attack, beware of sudden impact

Teenage shrinks are all confused at the spread of drug abuse  
Meanwhile down at the games arcade the latest candies are displayed  
Guess what our kids got really cheap, the stuff that puts the elephants to sleep  
Not paradise but blown to hell, they took their sabbath tapes as well

Party down, eat your friend, be-movie stories never end  
Rock the house, shoot your mum, cheap thrills wrapped up in bubblegum  
Get down, burn the cat, the hardcore life is where it's at  
Love boat, sub attack, beware of sudden impact
