

Hold On

The Scott Brothers

Another new city
Another new town
Making new memories
Making each moment count
My new favorite place is where I've never been
There's one place I go back again and again and again
Hold on Hold on
I'm coming home I'm coming home
It's been too long
Way too long
So I'm coming home to you

///

Can't help but smile when the plane touches down
Knowing that I'll see a face in the crowd
We'll talk for hours and the world fades away
I live for this moment my heart counts down the days
Hold on Hold on
I'm coming home I'm coming home
It's been too long
Way too long
So I'm coming home to you
Always come home to you
Your love is what gets me through all these days and nights
Think about this crazy life
Everything changes but you
Hold on Hold on
I'm coming home
Hold on Hold on
I'm coming home I'm coming home
It's been too long
Way too long
So I'm coming home to you
I'm coming home to you

///

Hold on
