Pipe Dreams

Travis

I read it all every word and I still don't understand a thing
What had you heard?
What had you heard?
Was it love, was it take another walk in the dark?
You'll never learnI'd pray to God if there was Heaven
But Heaven seems so very far from here
And it all boils down to the same old thing
Just a yin and a yang or a couple of pipe dreams
And it all boils down to the same old pain
Whether you win or you lose isn't gonna change a single thingI stood in line and a thought crossed my mind
I had been dreaming but I didn't mind
And I signed the line and the woman looked right through me
She didn't smileI'd pray to God if there was Heaven
But Heaven seems so very far from here
And it all boils down to the same old thing
Just a yin and a yang or a couple of pipe dreams
And it all boils down to the same old pain
Whether you win or you lose isn't gonna change a single thingI'd pray to God if there was Heaven
But Heaven seems so very far from here
And it all boils down to the same old thing
Just a yin and a yang or a couple of pints please
And it all boils down to the same old pain
Whether you win or you lose isn't gonna change a single thingAnd it all boils down to the same old fear
Just a link in a chain, just a puppet on a string
And it all boils down to the same old pain
Whether you win or you loseWhether you win or you lose
Whether you win or you lose
Whether you win or you lose
